Hi Jim -- I think you mentioned you wanted to see the GW results from the municipal wells. Please see email below.

Thanks,

Hello Tu

Below are results from 2000-2015 we are still non-detect for both wells 6 and 7.

Regards

Manuel Martinez

Melissa

Can you query PCE results for wells 6 and 7 so I can provide response.

Thank you

Manuel

Subject: Modesto Groundwater Analytical Data

Hi Manuel –

I'm the new project manager for The Modesto Groundwater Contamination Superfund Site. I wanted to ask if there have been any detections of PCE in either of the Municipal wells? I believe they are Municipal Well 6 and Municipal Well 7. Feel free to give me a call.

Thanks,

USEPA | Superfund
